Three people have sustained cutlass and gun wounds following bloody clashes at Old Fadama in Accra.

It is not clear what led to the clash but the Accra Region Police Command is holding 14 suspects including 11 men and three women for their role in an attack.

Greater Accra Police Public Relations Officer, ASP Efia Tengey confirmed this to Adom News Monday.

She indicated that, the police had a tipoff of the planned clashes and stormed the place leading to the arrest.

Those who sustained injuries, ASP Tengey said have had their statements taken and given medical forms for them to seek medical treatment.
